Menu

Meal

If you enjoy cooking together or looking over the chef's shoulder while preparing your meal, you can book our chef Hans Blösl for the Grosse Stube. He made a special selection of food for you. The ingredients for the menu are bought in special and interesting places in and around Aschau: Organic meat from „Maslhof“ (organic farming) in Frasdorf; all sheep products like artisan cheese is from „Anderlbauer“ in Frasdorf; best fresh fish from the „Chiemseefischer“ in Prien and the organic vegetables are grown in the „Irmgärtchen“ in Frasdorf. You are welcome to choose one of the following menus. If you want to stay by your own, Hans will deliver the fresh meal to you. If you like to, he's also happy to prepare the meal with you together.
